WONDERFEEL'S PREMIER ART EXHIBITION **SACRED ARCHETYPES**

OPENING APRIL 9, THE MEMO GALLERY, HEALESVILLE

“Over the years I've set up quite a few art installation spaces, and this is the ultimate. This is basically a temple to the completely alive human soul.”

A fascinating body of work by Yarra Valley artist Wonderfeel.

An exhibition to express the deep diversity of our human soul.

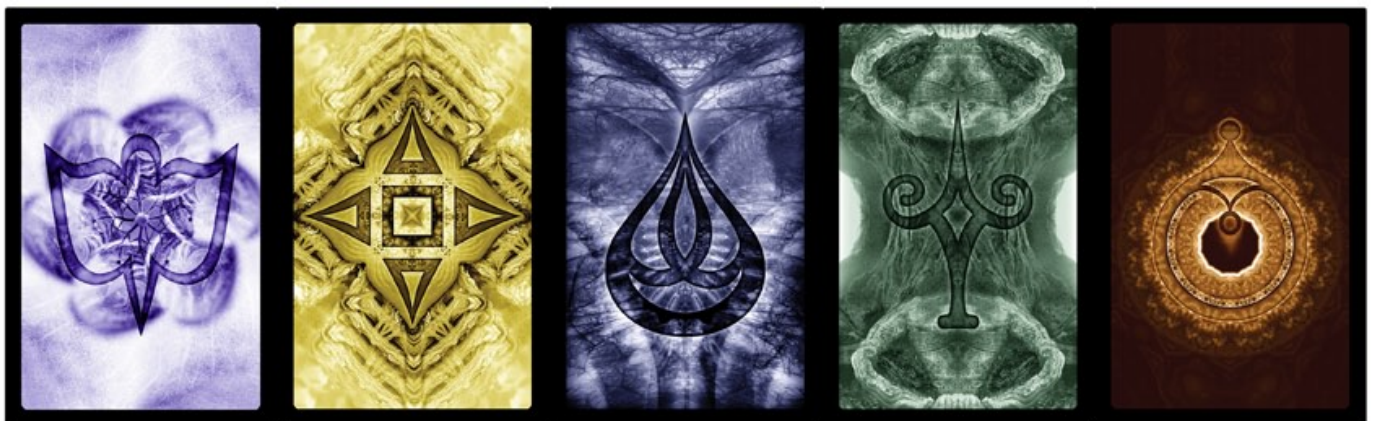

A series of twenty-six emblematic pieces, designed as a map to full aliveness.

The artwork is crafted from macro nature photography, intentionally layered into unique form. Sacred art, crafted from organic texture.

The Wonderfeel Oracle began in 1993 as a collection of symbols designed to express each important element of human nature. In recent years the symbols have found life as Archetypes, and now an art piece is created for each...
